Florian Guerin, Full Stack Developer

Passionate web developer eager to create efficient and robust apps. Solid foundation, quick learner and always looking to expand my skills.

Professional Experiences

Teacher Assistant at Le Wagon, Barcelona

July 2023 — August 2023

- Assisted students at Le Wagon in their learning journey, fostering a positive and motivating environment to encourage a passion for coding.
- Supported lead instructors in delivering high-quality coding education to a diverse cohort of students, providing guidance and feedback during coding exercises and projects.

Customer Onboarding at Amenitiz, Barcelona

January 2022 — October 2022

- Onboard new customers by assisting them in setting up the Amenitiz account, connections, and training on the system via phone calls and screen sharing calls.
- Gather customer feedback regarding possible bugs, improvements, and new functionalities, passing it along to the Product team.
